## **Mission Statement**

Our mission is to encourage anyone impacted by a crisis pregnancy to choose life. We are a free, safe and confidential Christ-centered pregnancy medical clinic, providing hope and healing through counseling, education, abstinence training, and recovery.

## **Statement of Faith**

1. We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
2. We believe that there is one God, eternally existent in three persons. Father, Son and Holy Spirit.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
4. We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential, and that this salvation is received through faith in Jesus Christ as Savior and Lord and not as a result of good works.
5. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life and to perform good works.
6. We believe in the bodily resurrection of the saved and lost, the eternal existence of all people either in heaven or in hell, in divine judgments, rewards and punishments.
7. We believe in the spiritual unity of believers in our Lord Jesus Christ.

## **Statement of Principle**

1. Horizon Pregnancy Clinic (HPC) is a Christian organization, committed to ministering to women with crisis pregnancies both in word and in deed. Commensurate with this purpose, those who labor as HPC board members, directors, staff and volunteers are expected to know Jesus Christ as their personal Savior and Lord.
2. HPC is committed to providing its clients with accurate and complete information about both prenatal development and abortion. We are also committed to unconditional love. We desire to show Christian love and compassion to all clients with whom we come in contact, regardless of the decision they make, their lifestyle choices, and the outcome of their pregnancy.
3. HPC is committed to integrity in dealing with clients – earning their trust, providing accurate information and services. We are committed to sharing the truth regarding pregnancy, abortion and abstinence with confidentiality.
4. HPC is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God’s people and the community at large, women may face the future with hope and plan constructively for themselves and their babies.
5. HPC is committed to teaching wise life choices in regards to sexuality and relationships, including abstinence until marriage, choosing healthy relationships and making choices that show respect to the opposite sex.
6. HPC does not discriminate in providing services because of race, creed, color, national origin, age, sexual preference, or marital status of its clients.
7. HPC does not recommend, provide, or refer for abortion or abortifacients. We are committed, however, to providing confidential post-abortive support.
8. HPC offers assistance free of charge at all times.
9. All information privy to HPC documented in the computer, verbal or written will all be held with confidentiality. All Donor financial giving, addresses and personal information shall remain confidential. All Client information will also be held with confidentiality including their personal testimonies.
10. HPC is committed to creating awareness within the local community of the needs of pregnant women and of the fact that abortion only compounds human need rather than resolving it.
11. HPC does not recommend, provide, or refer single women for contraceptives.

- 12. HPC recognizes the validity of adoption as one alternative to abortion but is not biased toward adoption compared to other life-saving alternatives. HPC is independent of adoption agencies and relates to them as any other helpful referral source. We do not enter into contractual relationships with them. HPC neither initiates nor facilitates independent adoptions in states where it is legal.
- 13. While we recognize the need for people to be involved in various activist organizations, Horizon Pregnancy Clinic does not associate with any organization or event that that uses inflammatory practices including but not limited to pictures of aborted fetuses and signs with statements making accusations of murder. We recognize that our presence at these events can easily be associated with Horizon Pregnancy Clinic. Therefore we ask that each volunteer, staff and board member initial the following statement.

As a board member, staff or volunteer I will not attend any event that utilizes these tactics. \_\_\_\_\_ (initial)
